

GOVERNMENT SHARED SERVICES

ALEXANDER CUMMING MUNICIPAL BUILDING SURVEYOR

 Level 27, 101 Collins St
Melbourne Vic 3000

 admin@govss.com.au

 GovSS.com.au

Professional Experience

As a local government building surveyor, Alexander has routinely managed the building department for a number of Councils under a contract solution. This includes providing regulatory services in relation to prescribed matters for which Council is the reporting authority, responding to general building enquires, and the enforcement of safety and building standards within the municipality.

Alexander has over 8 years of experience in both the private and local government sector, including time spent in airport building control on behalf of the federal government.

Alexander's role includes undertaking municipal building surveyor duties such as conducting essential safety measure audits, mandatory building Inspections, enforcement/prosecution and providing building compliance advice relating to the State and National Building requirements .
