GOVERNMENT SHARED SERVICES

Who We Are

GOVERNMENT SHARED SERVICES is an organisation with initiative, momentum and an experienced team of professional Building Surveyors, Inspectors and Technical Administration, specialising in regulation consultancy in Local Government. Our website is a good place to review our business, please see this [link](#).

Our Team:

Our passionate team is based in Victoria and traverses the state, delivering top-tier Building Surveying and Inspection services. We boast extensive expertise and a deep understanding of our professional field.

Our Expertise:

GOVERNMENT SHARED SERVICES offers a range of contract solutions for Local Government entities, including 'Shared Service' and 'One to One' options. We provide these services at a competitive rate while upholding a remarkable standard of quality. Our team features a diverse blend of professionals with varying experience and qualifications, allowing us to deliver comprehensive, cost-effective, and high-quality solutions. We take pride in seamlessly Integrating into new and diverse environments.

Meet Our Directors - Alex Cooper and Terry Baker:

With more than three decades of experience as Building Surveyors in the municipal sector, Terry and Alex lead the GOVERNMENT SHARED SERVICES team in delivering Building Surveying and Inspection services. They specialise in Local Government projects, as well as residential, commercial, and industrial developments.

In addition to their leadership roles, Terry and Alex also perform Municipal Building Surveyor duties. This includes issuing building permits, conducting essential safety measure audits, mandatory building inspections, enforcement and prosecution activities, and providing expert advice on building compliance in accordance with State and National Building requirements. Their wealth of experience is a testament to their commitment to excellence in the field.
